

9 steps to your new home

Lloyds Living's Guide to Renting

Step 1

Viewing

Once you have found a home you like you can arrange a viewing with our dedicated lettings team.

If after viewing you decide that you would like to reserve the home we will arrange for a £100 reservation deposit to be collected.

Step 2

Reservation

You will receive a link to one of our partners to arrange for payment of the reservation deposit (for more information on this please see our terms and conditions).

Once you have paid this deposit we will stop marketing the home and your reference checks will begin.

Step 3

Reference checks

One of our partners will arrange to collect information from you to commence the referencing checks, this will include official identification documents, details for the credit check and employment references. They may also ask for a previous landlords reference.

Step 4

Signing the tenancy agreement

You will receive your tenancy agreement to sign and once we have received your signature we will arrange for the tenancy agreement to be signed by a Lloyds Living representative.

Step 5

Paying the Deposit

Your deposit is held with the Tenancy Deposit Scheme, which is a government approved deposit protection scheme. For more information please visit www.tenancydepositscheme.com.

Step 6

Payment of move in monies

Move in monies are upfront rental payments for the month you move in and are to be paid 7 working days before our tenancy start date.

If your tenancy agreement starts before 16th of month you will need to pay for the remainder of the month.

If your tenancy starts on or after 17th of month you will need to pay the remainder of the month and the following month in advance also.

Your reservation deposit will be deducted from this amount and we will provide a full breakdown for you.

Step 7

Inventory

We will arrange for a full inventory to be carried out, including photography, and will share this with you as soon as available and invite you to make any comments on the inventory within 7 days of receiving it.

Step 8

Home welcome

On or before your move in date we will arrange for a home welcome meeting to help you familiarise yourself with your new home.

If this meeting is on your move in day we will also take your meter readings and inform the utilities companies for you.

Step 9

Collect your keys and enjoy your new home!
